the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million, and the number of people aged 75 and over has increased by 1.2 million (Office of National Statistics 2000).

There is a growing awareness of the need to address the needs of older people in the community. The Department of Health (2000) has published a strategy for older people, which sets out a vision for the future of older people's services. The strategy is based on the following principles:

- Older people should be able to live independently in their own homes for as long as possible.
- Older people should be able to access the services and support they need to live independently.
- Older people should be able to participate in the decisions that affect their lives.

The strategy also sets out a number of objectives for the future of older people's services.

- To ensure that older people have access to the services and support they need to live independently.
- To ensure that older people are able to participate in the decisions that affect their lives.
- To ensure that older people are able to live independently for as long as possible.

The strategy also sets out a number of actions that need to be taken to achieve these objectives.

## FIRST DANCE... HOWDY HOP... Mr. Lucky

The Howdy Hop was held in the gym to "meet your buddies." This year, Mr. Lucky—the guy with the richest buddies—was Bill Worrell. Candidates were selected by the pep squad, and Mr. Lucky was elected by one penny votes.

The Big-Little Sister Party found CHS girls eating again—this time, a spaghetti potluck dinner. After-dinner activities included volleyball, and a special brand of Sophomore entertainment (see photo above), which included unrolling toilet paper and pushing peanuts (both relays utilizing the nose for such purposes), and running around the gym singing, "Mickey Mouse."

Our athletic events showed once again the strength and courage of our men. Both cross country and football exposed our outstanding athletes to Panther acclaim and personal satisfaction. To avoid running the new freeway in El Cerrito, cross country meets consisted of a two mile run about campus.

Football Season games were the focus of many lives this year. What was it composed of? A clack of shoulder pads, shouts of "Hustle!" and "Go Headhunters!", a three foot pile of bodies, jerseys, helmets, and spiked shoes, under which loid one football; there were pretty girls in bouncy dresses, and tall, white, furry hats under which there sounded a horn, or boomed o drum; there were exhausted, panting men with contorted faces; and for others, there were tense moments while waiting for a gun to sound when they would commence a fast two mile trek up hill, down slopes.

## HOMECOMING WEEK WAS A SUCCESS

Homecoming Week was a success!!! The week's activities started on Wednesday with Crazy Hat Day. Our campus was colored with bright striped sombreros, flowered hats, headgear of cowboys and Indians, stocking caps, and an occasional paper bag.

Thursday we had our first annual Powder Puff Football Game---the Senior girls versus the Junior and Sophomore girls. Just for the occasion, the boys consented to become yell and song leaders, rousing the crowd into fits of spirit...the height of laughter...? In spite of the incredible display of skill and spirit the score at the close of the game remained tied 0-0. After the game class competition continued with the class Tug of War beginning with the Junior team pitted against the Sophomore team. Unfortunately the rope used for the occasion held up for only a few tugs; and regardless of the efforts to reinforce the rope it continued to break. The Tug of War ended with a snap...The class competition rally terminated with a fine display of good sportsmanship! The three class presidents participated in the Interclass Tricycle Race. Senior class president Jonathan Vaughn was appropriately victorious, dashing over the finish line carrying his tricycle over his head far ahead of Sophomore president Alan Casagrande who was still pedaling.

THE ROYAL COURT: Tom Marvick escorting Ann Luginbill, Jim Nealey escorting Mary Nastranera, Susan Ritter, escorted by Randy Samstag, Queen Miki Bernol, escorted by Bill Warrell, Donno Butterfield, escorted by Bob Warren, Sharon Graves, escorted by Alon Lost, Carol Wadenius, escorted by Jerry McDaniel.

Thursday night every loyal class member folded tissue paper, cut chicken wire, stepped on nails, and slept in corners in order to insure the completion of the floats for competition the following day. Friday afternoon during the combination Float and Pep Rally the floats were judged. The Senior entry "Sportsmanship Makes the World go 'Round'" took first place; the Key Club float "The Best Bet" took second prize; third prize went to the Junior entry "Happiness is Haunting the Huskies."

Friday evening the downtown parade was enthusiastically received by the members of the community. The Homecoming candidates riding in convertibles, the Carana Panther Band, and the floats took part in half-time activities. Miki Bernal was crowned Homecoming Queen of the school year 1965-1966. The Homecoming game with John North started and ended with spirit. The last half of the game Carana Panthers scored a three-point field goal bringing the final score to 3-0. The evening ended with the Homecoming Sack-Hop following the game. The theme "Carousel" was effectively carried out in the colorful decorations: carousel horses prancing around the gym and a bright canopy over the throne. Homecoming Week was a success!!!

## THE CHRISTMAS BALL

The Christmas Ball seems to be the most exciting dance of the year because it is our first major dance. The theme of the 1965 Christmas Ball was "The World Is A Snowball." Yuletide scenes from all over the world decorated the star room, carrying out this theme. The Ball is sponsored by an off-campus club, Hi-Tri. One year alumni were invited to attend. Refreshments, music, dancing, and romance made the magical evening.

The campus danced its best to dance as sweethearts midst the cupids.

Saturday, March 5th, the Girls' League honored ten Senior girls with the forty-second annual Hi-Jinks Ball and Coronation. Tradition states the co-eds of the campus each spring shall choose nine senior girls who have served the Panther Campus in academic and extra-curricular areas. These girls will wear the long white dress of the Hi-Jinks Court. The Girls' League completed the court by honoring our lovely foreign exchange student from Finland, Ulla Hotinen.

Sweet young girls and handsome young men congregate to rest their feet and talk. To the right is last year's queen Daveta Pixley with her date, Bob Gallagher.

## HI-JINX BALL

This year the semi-formal affair glittered under the theme of "Somewhere in My Heart." Campus couples danced under gay mobils of hearts and cupids. At the hour of ten, chairmen, Martha Nastronera and Elsa Galavan presented the 1966 Hi-Jinks court. One by one the court in long white gowns, were escorted to the royal throne at the front of the star room. As the ninth princess reached the front, Elsa Galavan announced Queen of Hi-Jinks 1966, Sharon Graves. Sharon then knelt before Miss Daveta Pixly, Queen of Hi-Jinks 1965 to receive her crown. As queen, Sharon's first duty was to lead her court in the traditional Black Hawk Waltz. Couples danced until the cinderella hour of twelve and the reign of another queen was begun.

Dazzled dancers watch the Queen and her Court after the majestic presentation of the girls. Next to come-- the Black Hawk Waltz.

Chairmen of the AFS Benefit, themed "Wonders of Spring," were Susan Barger and Vicki Harter. Chairman of the club, Jane Huffman, narrated the description of each outfit. Pretty smiles, chic fashions, butterflies, and lots of enthusiasm combined to make the Style Show an outstanding event of the year.

WRESTLING

Football...the grandest season of the year! There was new spirit and greater performance. The men in red and gold fought valiantly to rack up victories for CHS. We emerged third in the IVY League.

Our finest players were recognized in various ways. Roger McCullough was named Outstanding Lineman; Sandy Rica, Outstanding Backfield; Jerry McDaniel, Most Inspirational; Ed Settje, Mr. Hustle; Ace Waggoner, Honary Captain.

Panthers were also able to earn gold ties in honor of effort above and beyond the routine playing of the game. Points were awarded to the men for blocking a punt or kick after a touchdown, intercepting a pass, deflecting a pass, two offensive blocks, scoring a touchdown, and offensive or defensive effort. Point values range from 40 to 75 points. By earning 500 points, players become eligible for the Gold Tie award. Our Gold Tie men were Tim Benson, Tom Marvick, Ed Settje, and Ace Waggoner. Sandy Rica earned his second tie, and Jerry McDaniel, his second and third ties.

The Junior Varsity football team was a monument of hope and promise. According to Coach Lyle Wilkerson, their most "outstanding aspect was the steady improvement throughout the season, showing outstanding future prospects for the Varsity." Although it was a young and inexperienced team, they were a hard-hitting group and stand proudly in the line of valiant Panther tradition. The J.V.'s placed fourth in the IVY League.

## JUNIOR VARSITY FOOTBALL

Mr. Wilkerson, Coach

The Bee football team showed exceptional ability defensively this year. Their team's fighting spirit helped fulfill the hopes of cheerleaders, rooters, and coaches; they tied for third in the IVY League finals. Coach Eugene Lowry felt that the team was a fine group of men who did an excellent job defensively and would have been equally as effective offensively had they not had trouble with quarterbacks. The finest Bee jersey men were recognized by the team-members themselves. George Santos was honored as Most Inspirational, Jim Ganahl was Mr. Hustle, and Jeff Clark as Honorary Captain. Panthers can be proud of their Bee team.

The Junior Varsity Cross Country team was loyal and hard-working. Traversing CHS's two mile course the J.V.'s showed courage and endurance. They were always running. The team placed 5th in the IVY league. This year the Junior Varsity did not enter the Mt. Sac Invitational.

According to Coach Norman Towers; "They had tremendous spirit and showed a lot of desire to win. We should have a good Varsity in two years." The sophomore cross country team built up an excellent record this year. Once again, Panther men proved their might, the Sophomores won 2nd place in the IVY league. Corona's Sophomore runners placed eighth out of eleven teams at the Mt. Sac Invitational.

Varsity Basketball was full of high highs and low lows this year. The season began with two discouraging losses but picked up the second week, showing successive improvement with each game at the Montclair-Upland Tournament. As a result the team earned the Consolation Third Place, and because of their fine display of hustle were named the Team With the Most Hustle in the tournament. Dan Hagen was also named to All Team. Corona Varsity also participated in the Banning Tournament during Christmas vacation placing sixth with two losses and two wins. League games were not as successful as hoped. The Varsity team ended up with four victories to nine losses, tying for fifth place in the league. Dan Hagen and Jerry McDaniel both received honorable mentions. In the final tally Varsity Basketball had sixteen losses and ten wins.

The Junior Varsity team started out playing the first four games with schools outside of the league, losing three games and winning one. However, once they began competing within the league, team work obviously paid off, the end result being nine victories to five losses. The Junior Varsity tied for second place with Calton and John North, edged out of a possible first place by one point in the final game with John North. All total the J.V. Basketball team made a good showing this season with ten wins and eight losses. They show promise and potential and should be a fine Varsity Squad next year.

The Bee team had a very tough season this year. With a stroke of luck or several seconds they could easily have won or tied at least five very close games. They lost to Rubidoux by only one point, to San Gorgonio by three, to Rubidoux by two, to Riverside Poly by four, and John North by three. Since these scores were so close the Bee team obviously came within reaching distance of several additional victories--this is to their credit. The final tabulation of their wins and losses was 15 losses to 2 victories.

## J. V. WRESTLING

Mr. Beales, Coach

The Panther matmen, under the coaching of Mr. Jim Beales, built up a fine seasonal record. The team smashed Fontana, Roland High, Rubidoux, and Riverside Poly. It also participated in the Eisenhower tournament in which our novices took first place. About thirty men participated in the sport this year.

FIRST ROW: J. Hartshorn, G. Hall, S. Wiegand, P. Paterson, A. Stefan. SECOND ROW: P. Nugent, M. McGreal, D. Talley, S. Perea, R. Ming. THIRD ROW: G. Duke, F. Felipe, J. Geman, R. Rias, R. Walls, R. Felipe.

See Dave run...run, Dave, run. See Tom jump...rah, Tom, rah! These were a few of the encouraging remarks from fellow trackmen of Corona Senior High.

Their season began with an upset-victory over Lorna High of Anaheim, at the Santa Ana Relays, against all expectations.

The team was a fine representative of Corona and showed excellent improvement. Outstanding Varsity Seniors were: Tom Marvick, Dave Berner, Marvin Randell, Jim Cooke, Jeff Clarke, Jack Greathouse, John Lingenfelter, and Jonathan Vaughan...rah, team, rah!!

Mr. Holden, Coach; Mr. Greathouse, Record Keeper; Mr. Towers, Coach.

## VARSITY GOLF

Still early in season play, the Panther golfers gave promise of good performance. Playing at Mountain View Country Club, the campus duffers did well in conference competition. They beat Montclair and San Geronimo, demonstrating some of their finest judgment and coordination. Coach Jim Thompson critically evaluated and continually improved each man's form long hours after school, which payed off in actual competition. Golf results proved the team's efficiency.

## JV GOLF

This year's Varsity baseball team proved the fine progress that is always going on at CHS. Coach Lyle Wilkerson remarked of the team, "This was the best hitting team that I have ever seen in my years at CHS." Performing exceptionally well in their respective positions were: Jim Nealey, star pitcher; John Thayer, infield; and Jerry McDaniel and Eben Halden, outfield.

FIRST ROW: A. Waggoner, S. Rico, T. Balderas, J. McDaniel, B. Kissack, F. Sandlin. SECOND ROW: J. Hemming, J. McClintock, H. Nelson, E. Halden, M. Enyart, T. Hall, R. Wood. THIRD ROW: C. Parsons, G. Copley, M. Hatch, R. Barnes, D. Bacon, J. Nealey, J. Thayer.

## VARSITY BASEBALL

This year, the Junior Varsity baseball players formed a first division team. These Panthers were really great! The team was well balanced through good pitching, good defensive playing, and good hitting. Captain Ed Hearn excelled as an infielder, Louie Hernandez as a pitcher and Ed Best as an outfielder.

## ASSOCIATED STUDENT BODY

R. Samstag, Activity Commissioner; J. Huffman, Pep Commissioner; J. Wiles, Parliamentarian; E. Lowe, Publicity Commissioner.

The Executive Council is one of the finest groups on campus. It is a group of students who are truly interested in an all-round and continual improvement of CHS. One outstanding characteristic of their administration is the endeavor to gain better communication with the Associated Student Body. They introduced the idea of a regular bulletin over the public address system to inform students of current executive business; they published a "Government Box" in the newspaper, the Ko-Hi-Nur, for the same purpose; also, the council made it very easy for any interested student to visit and discuss an important measure, if he so desired. Other ideas instigated by the 1965-66 Executive Council were the building of a Panther Statue, a Nominating Convention for the election of ASB officers, (and) the extension of interesting and broadening student assemblies.

## REPRESENTATIVE AND INTER-CLUB COUNCILS

The Representative Council is a group which has been increasingly active this year due to the added function in student affairs that it has possessed under our two-year-old ASB Constitution. The group has functioned much like the United States Senate. It consists of one representative from each orientation class and is presided over by ASB Vice President, and President of the Representative Council, John Thayer. The organization met regularly once a month. It held hearings for suggestions and proposals from the students and from the Executive Council on student affairs, and then voted on them. The students also discussed and formulated ideas to be sent to the ASB and Executive Council on various matters. Those students who regularly took part in the Representative Council demonstrated their own civic-mindedness while realizing the council as an important factor in student government.

The Inter-Club Council is another group which furthers the students' part in governing themselves. Made up of the presidents of every chartered campus organization the council forms a representative unit which acts in the interest of the smaller groups within the student body. Mark Slegers, its popular President, kept the group organized and functioning well through the hurricanes of the ASB Ball and the student magazine sales which earned money for the Panther Statue. Once again in student government, a small agency played a vital part in making possible the great progress at CHS of the year 1965-66.

## SCHOLARSHIP SOCIETY

The Scholarship Society is an honorary group of students representative of CHS' finest intellectual variety. The scholars plan field trips each year which are taken only if the selected place is not too expensive nor too far away. This year the club hoped to visit the L.A. County Museum. Randy Jones, President, worked closely with Mrs. Wynne to head the club. Membership requirements include having a minimum of ten academic credits at semester report card time. Three credits are given for an "A", one for a "B", and one for being a cheerleader or club president. The Club is affiliated with the California Scholastic Federation which entitles members to apply for special scholarships sponsored by the organization, and to send representatives to the Federation activities.

The Key Club became rightfully known as one of the most active clubs on campus. Its enthusiastic members are ever coming up with bright ideas, organizing them, and successfully carrying them out. The newest creation was a Ping Pong Tournament for both students and teachers.

Essentially, the Key Club is a boy's service club sponsored by Kiwanis International. They functioned in the distribution of Christmas Baskets to needy families, a Pop Battle Drive, a Pancake Breakfast, the selling of Panther book covers, ushering at school assemblies, and helping the welfare committee in Operations Soap and Cookies. In addition, the Key Club Float captured second place at the Homecoming rally. Mr. Diers and Mr. Hussion may be credited with sponsoring such a fine group. The quality of these men and their endeavors certainly had far-reaching effects and definitely contributed to the progress of a great Panther year.

## PANTHERETTES

Pantherettes is an honorary girls' organization devoted to service and spirit. Composed of sixty of CHS's best women (Thirty Seniors, twenty Juniors, and ten Sophomores), they can nearly always be seen at some school function performing good deeds in their bright red vests. One of the most enthusiastic Pantherettes, Jane Huffman, is also the Club Chairman. Under the guidance of Miss Horan, Miss Lohmann, and Mrs. Kluxdal, the girls carried out their annual activities: the Fall Picnic, the Christmas Breakfast, complete with Santa Claus, the Annual Style Show which is an AFS Benefit, the spring potluck installation dinner, and promoting good old Panther spirit.

## AMERICAN FIELD SERVICE

The American Field Service is a national organization that is finding increasing international support. Its function is to increase understanding among all peoples by sponsoring an exchange of foreign and American students. The AFS found its way to Corona and established a local chapter. As a result of these endeavors, Corona had two fine students come to live here for a year. They were Ulla Hotinen from Helsinki, Finland, and Eneas Benute from Sao Paulo, Brazil.

In the interest of our foreign students, CHS students had established an AFS Club on campus to help soften the transition between school lives, and to create student interest and support for the exchange program. If anyone could help soften anyone's life, it was Pam Little, President of the club. With her understanding and the help of Mr. Knilians and Mr. Hart, the club sponsors, the club's goals were fulfilled. Some AFS projects were part of the Christmas Assembly at which Ulla and Eneas were given, as a gift, a telephone call to anywhere in the world (usually home), an International Week highlighted by the selling of shares in the American Field Service, and a float honoring Ulla and Eneas in the Homecoming Parade.

## LETTERMEN CLUB

Jackets of Red and Gold and the "C" mark the Panther men of the Lettermen's Club. These are the proud athletes who have earned the distinction of lettering on the athletic field. The Lettermen's Club promotes good sportsmanship and a fellowship between members. Under the sponsorship of Mr. Nicholson and Mr. Halden the Lettermen sponsored the donkey basketball game and various other fund raising campus activities. This year faculty members mounted their steeds against the lettermen themselves. The lettermen use their funds for the purchase of trophies and school awards. They also maintain the trophy cases in the star room. The lettermen ended this year of activities with their annual picnic in honor of graduating athletes. The year was led by Jerry McDaniel, president, with Jeff Clark, Vice President, and Bob Warren, serving as Secretary-Treasurer.

The truly sporting Stello Ybarra presided over the Girl's Recreation Association. The year opened with the GRA kickoff and ended with the GRA Banquet—one of the year's major events for girls. Miss Hix, the club's Sponsor, directed the recognition of fine girl athletes at the GRA Awards Assembly in February. Everyone involved had plenty of fun.

## ROOTERS' CLUB

Rooters' Club is, as its name implies, a group of spirit-minded students—real Panthers who come to athletic events and cheer on cheer and cheer (and this year they had a lot to cheer about). The President of this lively group was Mary Augusta who, along with her fine board members, made new ideas into reality. This year's Homecoming activities were especially representative of the wonderful potential that these students have. Rooters' Club was also responsible for pep rallies, spirit posters, rooter ribbons, a sock hop, and the spring Dessert Dance at which the officers for the following year were announced.

Dirty Saphamores!—ralling peanuts on the floor with their noses!

## GIRLS' LEAGUE ASSOCIATION

Girls' League. What activities does one connect with Girls' League? Activities with girls—but that's not all. This year they had car washes, sponsored the Big and Little Sister Dinner, the All-Girl Show, the Hi-Jinks Ball, and the "Girl of the Month" awards. Who led all these women? Smiling Jill Weblomoe guided by Mrs. Short and Mrs. Danijelovich. Why are they organized? Because girls like being of service to their school and community and because girls like setting an example as good citizens and because girls like doing things with other girls.

## DRILL TEAM

The Drill Team, "Coronettes" gave a sharp and colorful boost to the campus during their first year. 38 maroon tights, and yards of hand sewn ruffles, and straight lines helped fill their first year with problems under the direction of Miss Wilson and the sharp whistle of collar Jeanette McDaniel, the drill team whipped themselves into precision order. Campus rallies saw the team in school uniform of red and gold. Their major campus activities are the halftime performances during football season. Since their debut on Oct. 1 the drill team has participated in numerous parades. Among them the Long Beach Band Review and Corona's St. Patrick's Day Parade, where they placed second in their division. The drill team after one year have become a campus institution. Charter members can be proud of their lines of maroon and white.

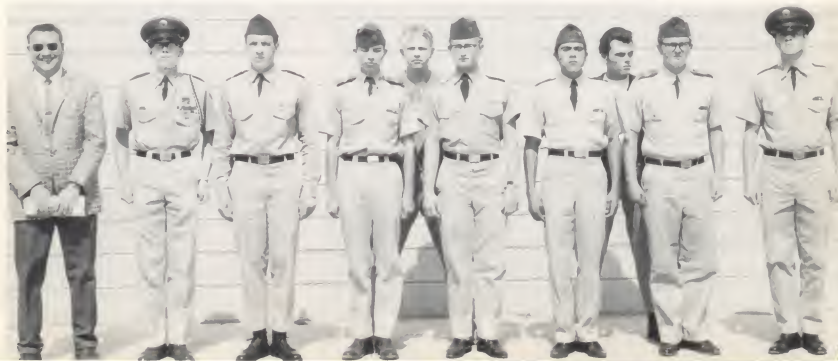

The purpose of the Corona Senior High Cadet Corps is to develop good capable leaders and to give experience to these young men who are interested in a military career. The bright yellow helmets could be seen providing many services for the panther campus and community throughout the school year. Under the leadership of Mr. Holden the Corps provided guards and aids at sporting events, the homecoming parade and the annual bond jamboree. During the spring months many members assisted in setting up the field for the track events. This year the Cadet Corps sponsored a drill team who participated in Corona parades demonstrating the Queen Anne Drill. During the year the Corps participated in a one day encampment and many members participated in another during the summer.

Shirley Hayes, President of the Corona league led the speakers to wins in many divisions. Trester Harris placed first in impromptu speaking at the Winners Invitational at Romona High in Riverside. Other meets included the Hemet Novice Invitational, Riverside Poly Novice Meet, Redlands Invitational and the Pomona-Citrus Belt League Finals. Julie Stallings won acclaim in the Lion's Club Speech Contest for the Panther campus.

These dedicated students donate hours of fine service at local hospitals and at the Riverside County General Hospital. However, this work does not go without recognition. There are awards for those with an outstanding amount of service hours. The PhyBiSci--Physical Biological Sciences Club--was a most worthy organization, comparable to the Royal Society of England in the 1600's. It was organized as an informal group of students interested in science--in talking with scientifically oriented men and women, in visiting PhyBi Scientifically founded institutions, in seeing educational films, slides and even demonstrations of actual equipment used in areas of endeavor selected by the members. There were no membership requirements; the club was open to the inspiration of the moment of its members or the dogged determination of regular members devoted to the promotion of a scientific society. The club made trips to Wyle Laboratories, and to a computer organization in San Bernardino. Regular meeting activities included a series of from eight to ten Bell Science films. The group was assuredly an association of students sincerely interested in science.

## FUTURE TEACHERS OF AMERICA

The Future Teachers of America is an organization of students who are truly interested in teaching as a profession or for students who wish to find out whether or not they would like to become teachers. Mr. McNarie helped the prospective pedagogues to learn and to achieve their desired goals within the club. "One of the most rewarding opportunities of FTA," says Yvonne Doerr, President, "is the actual student teaching experience we gain from working with grammar school children." Student teaching is classified as work experience, so members of the club were able to teach in local primary schools. Students in this program were entitled to recognition from the national FTA and the California Student Teacher's Association.

## FRENCH CLUB

The French Club is an organization of students who are sincerely interested in studying the French language and culture. President Susan Page and sponsor Mrs. Sklepawich were both enthusiastic promoters of the French spirit. In addition to seeing slides of the beautiful country of France, its members were invited to attend an authentic French Christmas Party in January (the date of the French Christmas), as well as participating in the International Banquet.

## LATIN CLUB

Mr. Kremer, Jim Tamlin, and Ron Danieri, sponsor and club counsels, respectively, were the trio of directors who spurred the Latin Club in its noteworthy activities.

Formed to study the historical Roman background, the Latin Club was composed of Latin enthusiasts who added a worthwhile and fun activity to school life. Among the club's activities was a field trip to see the play *Medea*, building a Roman-American float for Homecoming, and participating in the International Banquet.

The Spanish Club was sponsored by an unusually active and enthusiastic man, Mr. Aguilar. Part of this year's activities included a trip to Padua Hills—a Spanish restaurant, playhouse, and art gallery—building a float for the Homecoming Parade, distributing Spanish flowers during the International Week at CHS, and participating in the International Banquet. Veda Higley, as President, led the interest group who endeavor to learn more of Spanish life and culture.

## WELFARE COMMITTEE

This years activities began with last fall's "Operation Cookies and Soap" for the soldiers in Viet Nam. Cookies and bars of soap flooded the Homemaking room. With the aid of the Key Club and numerous pop corn machines the articles were packed for delivery in Viet Nam. This successful activity was characteristic of the many charitable activities taken on by Mrs. Arnold and her committee. The Christmas season found committee members collecting food, toys and clothing for needy areas of the Carona Community. Other months they sponsored fund raising drives during orientation for such organizations as the March of Dimes, Red Cross, Heart Fund, and the Cancer Fund.

Late evening hours in Arlington, newsprint and ink became blood and flesh in the lives of an energy-filled KO-HI-NUR staff.

Potti Cox and Gene Trosky served as editors publishing sixteen issues with four special eight page issues. The Panther journalists come home with the Press Enterprise sponsored RCC Sweepstakes trophy proclaiming KO-HI-NUR best in the county for the fourth year. At San Bernardino Valley College Mr. Tindoll's staff placed fifth among all southern California schools.

In addition to publishing twice monthly a fine school newspaper, the KO-HI-NUR staff printed the football programs and published a literary magazine, *Panther Tales* during spring quarter. Pat Baldwin, editor, produced a magazine of artistic achievement. Poetry, photography, short stories and student art combined to make up the campus' first magazine of this type.

During second semester Potti Cox and Tricio Westbrook, as editors, published twice monthly a page in the *Daily Independent* for Corona Teens, the US page. Meaty editorials and Monich humor and good layout gave the KO-HI-NUR something more to be proud of.

Drama Club got off to a slow start this year, reorganizing during the first of second semester with Cara Van Geeloo leading the troops. With the production of the all-school play "The Mouse That Roared" the drama club membership had a busy semester of activity. Re-stretching flats and sizing canvas, mixing paint, hammering thumbs, finding props, and pulling curtain became mighty activities for hearty stage crews. Play try-outs ended in "Imagine Me in a play" and "I made it" and "My talent... a prompter." Practice heard screams of horror and delight from sponsor-director, Mr. Neuman. Opening night and all jitters faded to success, and first nighters.

## A CAPPELLA CHOIR

Under the direction and enthusiasm of Mr. Stuart Halperin the vocal music department found new spirit. This year Mr. Halperin, his first on campus, began the impressive A Cappella choir and the honored Madrigal Singers. These groups along with the Boys' and Girls' Glee put in many long hours of rehearsal and performance during the school year.

## BOYS' GLEE CLUB

The new A Cappella choir with Margie Bernards and Tim Monich as accompanists gave an impressive performance at the December's Christmas concert. The choir followed the December concert with assemblies before community and school groups. In April the choir was selected to perform before the Southern California Music Association Choral festival in Burbank. The music department's Spring Concert, bac-calaureate, finished out a year of performance and excellence.

The Madrigals, the vocal honor group on campus, is composed of the top voices from the A Cappella Choir. This group, specializing in music of the 16th and 17th centuries sang before such groups as the Triple M Women's Club, Kiwanis Club, Peppermint Ridge Volunteers, Pantherette Fashion Show, and the Rotary Club. In addition the elegantly gowned, burgundy satin, and suited Madrigals sang at the Fantana California Music Association Festival and the campus spring music concert. The Madrigals have begun a tradition of fine performance of late Renaissance and Baroque music that both the community and campus have received with enthusiasm.

The Glee Club activities were highlighted by the Boys' Glee Club performance at the Los Angeles Festival of the Southern California Vocal Music Association. The Boys' Glee sang at the A.F.S. assembly on campus, presenting songs from many nations. Both clubs gave fine performances at the Christmas and Spring campus Music Concerts.

The hours that these young men and women put into their music were certainly worth while. At performances, one could hear remarks that make every Panther proud to know the Mr. Halperin's groups belong to CHS.

Listening to, keeping time with, or singing along with a band—a Panther Band—is an exciting experience. When you first sing "On Corona" at a football game, complete with shakeroas, or when you first hear the carols played at the Christmas Assembly or when you first hear, then see your band marching in a parade or when you first dance to the music of the stage band—then you know that band music is far you—Panther Band Music, that is.

Each of the four bands at C.H.S. have separate, but equally impressive activities. The Pep Band played Panther songs at nearly all football, and all home basketball games. The eighty-member band played during half-time at home football games, along with its bright sign carriers, and newly formed drill team.

BAND COUNCIL--SEATED: V. De Beal, Drum Major. F. Simans, Treasurer; J. Lynch, President; J. Lockwood, Vice-President; S. Pierce, Historian; R. Bane, Librarian.

As well as hosting the Corona's Tenth Annual Band Jamboree, the MARCHING BAND participated in the Hawthorne Band Review, and the All-Western Band Review in Long Beach.

The CHS CONCERT BAND started a new and enviable activity this year. In May, they went on a one day tour to three high schools to give a glimpse of the Panther music department and to present the Concert Band and the Stage Band. The Concert Band provided an enjoyable selection of carols at Christmas time.

The STAGE BAND was a new addition to the CHS music department. It is a seventeen piece band designed to teach the students to play swing and popular music in the style of the 'big bands'. They played at a dance sponsored by the High School Band Parents Association at the N.O.L.C. Club House. The band delighted Junior High Students with three assemblies at the respective schools.

"Our band's better than your band..."

TIME

# RETROSPECT

Pope Paul VI visits the United States in 1964 in an effort to unite all people for peace and goodwill.

Astronaut Wally Schirra

This year has contained many new revelations in science, politics, foreign relations, trends, and fashions.

Foreign relations have been both strained and strengthened. A closer relationship with Europe has been established in contrast with the strains placed on foreign relations in the Far East. As a result of the Communist expansion in North Viet Nam the United States has occupied South Viet Nam in an attempt to both influence and protect the Viet Nameese against communism in favor of democracy. Much controversy has arisen as to the obligation the United States owes to save this small distant country.

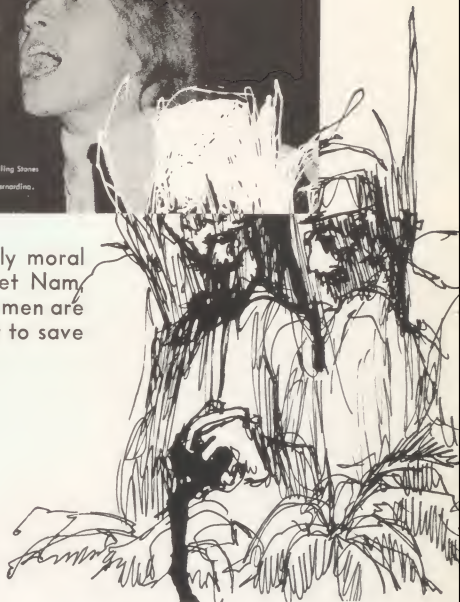

Da Nang, South Viet Nam—a South Vietnamese trooper is helped by his comrades.

Donald Bryan Jones of the Rolling Stones  
singing at the San Bernardino Audubon Society.

It has been argued that this is the only moral action, to fight on behalf of South Viet Nam, versus the appeal that young American men are dying in this seemingly fruitless attempt to save the world from communism.

Only time can test the validity of the United States action and perhaps justify or find fault with our foreign policy.

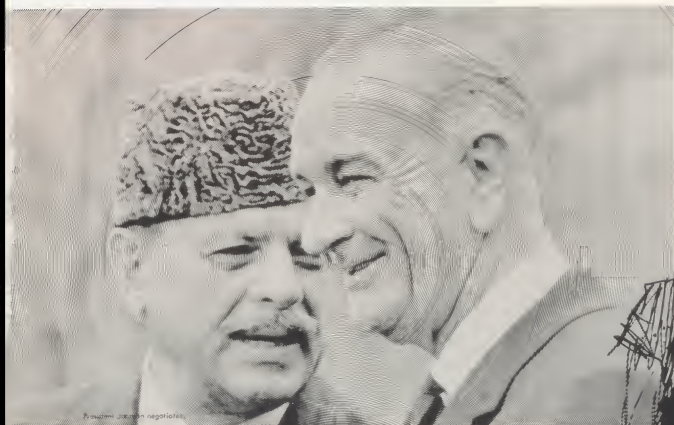

Peter Asher of the famous duo Peter and Gordon.

The world of science has expanded by leaps and bounds—especially in the field of space. One impressive event furthered the knowledge important in the future plans to reach the moon. Gemini VII space-craft with Frank Borman and James Lovell aboard completed successfully a rendezvous with Gemini VI which was flown by Wally Schirra. Pictures of this historic event were shot with a Hasselblad 70 mm camera on color film with an 80 mm lens. The two ships moved within a few feet of each other and flew in a nose-to-nose formation at an altitude of 185 miles attached by an umbilical cord.

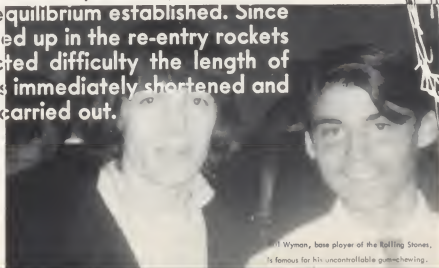

Space rendezvous operations were carried through successfully.

President Johnson negotiates.

Later, Gemini VIII and the Agena rocket attempted another rendezvous, this time to be interlocked. However during the rendezvous the outer-jettisons froze causing both ships to pitch and roll. With some difficulty the ships were disconnected and an equilibrium established. Since so much fuel was used up in the re-entry rockets during the unexpected difficulty the length of the planned trip was immediately shortened and recovery was soon carried out.

Wyman, bass player of the Rolling Stones, is famous for his uncontrollable gum-chewing.

*Astronauts James Lovell and Frank Borman prepare for their 14-day space voyage.*

Trends and modes have also changed with the outlook of the U. S. citizen today. Americans have been besieged with new musical trends led by some of the foremost authorities in popular music – teenagers themselves. Popular singers have included – Barbra Streisand, the Beatles, the Stones, popular duos of Peter and Gordon, Chad and Jeremy, also the Mamas and the Papas, Bob Dillan, the Birds, the Turtles, and the Outsiders.

Shops are plundered during the Watts Riots, taking place during the summer of 1965.

These singers have not only instigated new sounds in music but have been largely responsible for a new look in fashion as well. Hair lengths and skirt lengths have in part been influenced by these popular idols. But teenagers in general should be given credit for influencing these changes.

Sir Winston Churchill, one of the greatest of Great Britain's Prime ministers dies in 1965.

ZOOOOOOOOOOOOM!

Is it an oversized roller skate?

A swollen lady bug?

No! It's a Volkswagen . . . have joined a Burgundy Ford Station Wagon ('56) Triumphs and MG's, '57 Chevys and many others in the student and faculty parking lots.

This year marked an exciting new trend of fashions. Compared with the fashions of twenty years ago there is an extremely noticeable difference. Ankle-length do-nut skirts have made way for short hip hugger skirts. Bobbie socks and saddle-shoes left tracks for Capezio boots and patterned socks and nylons. Bell bottoms in multi-colored flower prints became the mode. Paisley ties came back, along with wing tips, and shaggy jackets. New on the scene for girls, as well as boys, swim wear was bermuda length "Jams" in shocking colors. Twenty years ago permanent was the rage. Considering the casual look of today, the hair-dos are equally as casual. Everywhere, girls are adorned with long, straight tresses, or the short "boyish bob" look.
